3rd Annual Water Law in Eastern Washington Conference

May 27th and 28th, 2026

Spokane

Join us for the 3rd Annual Water Law in Eastern Washington Conference!

The conference will include a combination of technical, legal, and water resource management topics presented by some of the region's leading water experts. The legal and regulatory landscape around water management is changing – come learn about it!

Conference Theme: Understanding Washington Water Law and its Application to River Basins in Eastern Washington

The conference will provide state of the practice information regarding:

- Laws, rules, policies, and practicalities of managing water rights in Eastern Washington
- Major case law threads and ongoing implications
- Current status of water resource efforts to efficiently manage water in Eastern Washington

The conference will provide:

- Continuing Legal Education credit
- Certified Water Right Examiner credit (pending)
- Water Conservancy Board training credit

Conference Co-Chairs:

Jessica Kuchan, Confluence Law, PLLC
Ben Lee, PE, CWRE, Landau Associates, Inc.

Venue:

Gonzaga University School of Law

Registration Price:

Live: \$225 | Virtual: \$325 | Students: FREE
